

We hope you're having a great summer! Beginning August 13, The Stingray Café will be accepting lunch orders **ON LINE**. No orders will be accepted at school. This helps us to have a more efficient lunch program, and eliminate unnecessary paperwork for us all.

The first day of our lunch program will be on the first day of school, **August 25**.

We will begin accepting orders August 13 through midnight on August 23 for lunches beginning on August 25 through September 30. **No orders will be accepted after the monthly deadline.**

All returning students do not need to set up a new account! You may use the same login and password as last year. If you have trouble remembering your login or password, please email us at aldospizza01@msn.com

For new families, ordering lunches is easy! Just follow the steps below.

- Go to the **Seacrest website** (www.seacrest.org)
- Click on **quicklinks**
- Click on **order lunch**
- Click on **create a new account** and enter the information (you will only have to enter this information with the initial setup), enter child/children first name and class/teacher. You must enter this or your order will not be processed. I.D. # is not needed
- Click **return to log in** and enter the name and password you created
- You are ready to order lunch! Click on **lunch** on the left side of the screen
- You will now see a lunch calendar for the month. On the left, click the **student name** and order lunch by checking each box for each day that you want to order lunch. You can click on the "?" next to the item to see a description.
