

VOLUNTEERING OPPORTUNITIES AT SEACREST 2010-2011

It takes a community of caring adults to support a rich variety of special programs and events that truly help define the “Seacrest Difference.” The spirit of volunteerism is an integral part of our school. There are many ways to give and that sends a valuable message to your children. Volunteer involvement can be as much or little as you can give. It also provides you the opportunity to get to know each other, working together supporting positive growth for Seacrest. **You are a valuable asset** to the school and our students. So whether you have a few minutes, a few days, or would like to help run an event, **each individual’s commitment is valuable and treasured.**

Please refer to this descriptive summary to remind you of the many volunteering opportunities available. Print the volunteer checklist and return it to the school.

ONGOING, THROUGHOUT THE YEAR

The ArtsMatter: There’s a lot going on at the school in the visual and performing arts. Want to get involved? Sell tickets, sew costumes, paint scenery, choreograph dances, the sky is the limit!

Cantina (School Snack Shop) 10:30 a.m. to 1:00 p.m.: What a great way to get into the school and see your children and their friends in action! Volunteer one day a week or one day every once in a while.

Last Minute Cantina Help: In case our regularly scheduled volunteer cannot show up you will be called at the last minute. Please be sure that you can jump in and volunteer at a moments call.

Coffee Cart: Second Wednesday of every month, deliver coffee and muffins to teachers. (1 ½ hours commitment)

Concession Stand during Home Games and Meets: Our Concession Stand volunteers will sell drinks and snacks, hand out sports schedules and help support the Seacrest Booster Club.

Greeters at School Events: Do you enjoy meeting and speaking with people? We would love to enlist your help at selected school events throughout the year.

Health Clinic: We would like to establish a list of qualified registered nurses, who would be available to work in the clinic in the absence of our school nurse. A current Florida nursing license and CPR/AED certification is required. Training will be provided.

Library: Many different jobs are available in our incredible Resource Center. The media specialist will contact you with additional information.

Odyssey of the Mind (OotM): This is an international, creative problem solving competition involving students in K to 12. For more information about this program, ask Marty Durham at the front desk.

Office Help: You know how it goes, something unexpected comes up and there aren’t enough hands to get the job done. Whether it’s answering phones, stuffing envelopes, or assisting with a special job, how nice to know there are sympathetic hands to lend assistance. ***NO EXPERIENCE NECESSARY!***

Seacrest Outfitters Store (approximately 7:45-8:45 am): The store will sell a little bit of everything Seacrest! Sign up one day a week or only as your schedule permits.

Seacrest Treasures: Do you have the entrepreneurial spirit? Volunteer at our new store located in Davis Village.

All School Stingray Picnic: The entire school community starts the year off together. A great way to meet new friends and to get reacquainted with old friends. ***(Friday, August 27, 2010 at 5:00 p.m.)***

SPECIAL TALENTS ALL YEAR ROUND

Please call the Office if you would like your name added to our "Special Talents" list.

Commitment: I would love to be involved at Seacrest, but because of my schedule – or a myriad of other reasons (*and we've all been there*) I cannot commit to any one activity for this year. Please call me as needs come up – because if I can make the time I would love to become involved.

Carpenters: You never know when you need someone who is talented with a hammer and nails...maybe paint and spackle...grout and cement...your talents could be used for many special projects.

Speakers: Do you have something special to share? Perhaps you are a collector or researcher or authority. Share your experience with the students. It enriches their education and makes them so proud to know that you're involved.

Surprise: O.K., you got us! We never would have thought of this special skill, talent, expertise or piece of ingenuity – but we're so glad you're offering. Plan on receiving a telephone call.
