## *2010 Gala for Treasures*

**Seacrest Financial Aid Recipients Say  
“Thank You”**

### **From the parents...**

*“As parents, we struggle for what we think is going to be the best possible place to educate our children. Then you discover a school with the charisma that Seacrest has and if that isn’t enough, you fill it with teachers who epitomize excellence in everything they say and do. Seacrest offers children the chance to be themselves and be accepted for who they are regardless of their differences. Thank you for what you have done for our family.”*

*“I am honored to send my daughter to a school that not only teaches the value of the individual regardless of social or economic status, but lives the same values.”*

*“Thank you for the very generous scholarship that you have given our child this school year.*

### **From the students...**

*“Other than my family, there has been no influence stronger than Seacrest in shaping the person I am today...I never felt that the expectations of excellence came primarily from my teachers; rather, the expectations came from within myself as a result of the self confidence gained from the unconditional love and encouragement which they gave.”*

*Former Seacrest Student - Harvard University Alumni*

*“Seacrest has given us our foundation for the future. We are well prepared and proud of who we are. We face challenges with the knowledge that we are the problem solvers and leaders of tomorrow.”*

*Hill School Student - Seacrest Alumni*
