

Dear Parents of Sixth Grade Students,

Our sixth grade students are scheduled to attend a three-day field trip to MarineLab in Key Largo on October 3rd-5th, 2018. This is always a wonderful trip for our sixth graders and an extension of the marine studies in our science curriculum. Through discussions, hands-on lab activities, and field observations, students will learn about the interdependent nature of the marine life of the subtropical Florida Keys. We look forward to all of our sixth grade students participating in the trip. We will hold a meeting in September to discuss the details and provide you with more information. We suggest you visit the MarineLab website for an overview of the program www.marinelab.org.

All student trip forms will be sent home in August and will be available on the Parent Portal of the Seacrest website. Students must complete these forms with their parents and submit them to their advisory teacher.

The total cost of the trip is \$575, which includes transportation, program fees, room, and board.

Due to required deposits for the program and transportation, a non-refundable deposit of \$288 is due by **July 3, 2017**.

The balance of \$287 must be paid by **September 1, 2017**.

Please complete the bottom portion of this form with your payment choice and return it to Stephanie, in the business office, **no later than July 3**.

If you have any questions, please do not hesitate to contact me at cminder@seacrest.org.

Sincerely,

Mrs. Christin Minder
Dean of Middle School Student Life

6th Grade class trip
