

## First Grade Supply List

Please provide your student with a school bag with his/her name on it. It should be large enough to carry papers, folders, and library books. Zipper backpacks work better than the drawstring or wheeled types.

Each student should have a lunchbox with a freezer pack to keep lunches cold and a cloth napkin or washcloth to use as a placemat. Please send your student's snack in a separate container or Ziploc bag that can be taken outside at snack time. We ask for your assistance in providing healthy snacks like fruits or vegetables during snack time.

(2) Primary Writing Journals (as Shown bottom of page)

One (1) one inch 3 ring **white** binder

One (1) packs of twelve (12) #2 pencils (Ticonderoga pencils work best!)
